

EDUCATION SESSION:

BUG HUNTING

SUITABLE FOR: EYFS, KS1 AND KS2

Work independently or in pairs to hunt for bugs in our wooded area.

- Identify and classify common animals
- Understand habitats
- Learn about simple food chains

For relevant groups this session can include metamorphosis and life cycles.

Throughout each session pupils will understand how to take care of animals taken from their local environment and the need to return them safely after study

Each session lasts up to **30 minutes**.

Group size is up to 15 children with accompanying adults.
