

EDUCATION SESSION:

# FARM TOUR

SUITABLE FOR ALL AGES

Follow our tour guide on a walk around our beautiful site to see our larger animals. Learn about their needs and the characteristics of each breed that make them so special to Sacrewell.

- Get up close to large animals
- How to care for living things
- Rare breeds, extinction and conservation

 **Welly warning!**

We may go into paddocks  
where there is manure.

For older groups this session can also cover themes of reproduction and genetics.

Each session lasts 60 minutes.

Group size is up to 20 children with accompanying adults.
