

## Camper's Information

### Location and transport.

Sacrewell Farm and Country Centre, Thornhaugh, Peterborough, PE8 6HJ. Sacrewell is just off the A1/A47 Wansford junction, with the entrance to the farm located on the A47 on the left hand side. Please follow the brown tourist signs rather than SatNav. An on-demand bus service can be booked in advance (Monday-Saturday) by calling Call Connect on 0845 263 8153.

### Checking in

Your pitch will be ready from 1pm. If you're arriving during Sacrewell's opening hours, please call in at reception and they will check you in. If you're arriving after closing time, your paperwork will be located outside reception and please book in with reception the next morning.

### Checking out

Please ensure you are off your pitch by midday of the final day of your stay, to allow our next happy campers to settle in without delays.

### Barrier code

To access the campsite outside of opening hours you will need our security barrier code. Our night warden, David, lives in the caravan by the barrier and will be happy to help if you need any urgent assistance. The barrier code and Dave's contact information will have been emailed to you in advance after booking.

### Setting up

Electric hook-up pitches are clearly numbered – refer to your campsite map or ask a member of staff if you are unsure of where to pitch. If you are setting up a caravan or campervan, make sure your vehicle is set parallel (long ways) to the electric hook-up point (see diagram below) and you can see the pitch number in your left wing mirror.

Visitors without electric hook-up are welcome to choose where on the allocated field area they would like to pitch. Please allow a six metre gap between you and your neighbour. If you need any help, ask at reception or contact the night warden.

### **Car parking**

You can park your car on your pitch (as shown in the diagram above) or in our car park / overflow park.

### **Exploring the area**

Sacrewell is close to Peterborough, where you can visit the museum, cathedral, Flag Fen and Queensgate Shopping Centre. The charming market town of Stamford is six miles away and beautiful Burghley House is within walking distance along the Hereward Way between Stamford and Peterborough.

We specially recommend a visit to the village of Helpston to see the birthplace of the poet John Clare.

### **Shopping**

Our shop (open every day from 9:30 – 17:00) stocks a selection of toys, gifts and a unique selection of wines and spirits on offer. We sell local fresh produce including vegetables, eggs, and sausages. We stock small camping items including washing up liquid and matches, please ask a member of staff for these as they are kept in the store room.

The nearest village shop is the Post Office in Wansford (about three-quarters of a mile away). The nearest supermarkets are Sainsbury's in Bretton Centre, Peterborough PE3 8DA or Morrisons in Stamford PE9 2FT, each around 8 miles away. There is a petrol station on the A47, close to Sacrewell, which has a cash machine and sells a selection of newspapers.

### **Food and drink**

Origin8 at Sacrewell use local meat, veg, fruit and more to create delicious hot and cold meals, sandwiches and snacks – think home-made soup, pasta bakes, baked potatoes, shepherd's pie and salads. Our coffees are made with our own blend of beans and there are juices and ice creams from the Anglian counties for small people. Sit back on squishy sofas with a drink or bring the family for lunch or tea – the cakes are seriously yummy.

If you're adventuring further, we also run a refreshment kiosk in the Play Barn at weekends and in school holidays, where you can relax with a drink and a slice of cake while your children let off steam in our indoor soft play.

For an evening meal, our staff highly recommend the Paper Mills pub and The Haycock Hotel in Wansford – both offer delicious, top of the range pub grub.

Thank you and enjoy your stay,

The Sacrewell Team

### **A few rules and requests**

Please be considerate to your fellow campers and keep noise to a minimum after 9pm.

Well-behaved dogs are welcome but please make sure they are kept on a lead and that you clear up after them. Maximum 3 dogs per pitch.

Barbecues must be raised off the ground and attended by an adult at all times. Sorry, no generators or camp fires / fire pits are allowed. For fire safety, cooking inside tents is NOT permitted and can be lethal due to carbon monoxide poisoning.

Bins are located at the back of the Playbarn - please separate your glass and recyclable waste from general waste and use the appropriate bins.

Please leave toilet and shower blocks as you would expect to find them.

Children under 16 must be accompanied by an adult on the campsite, play area and when visiting the farm, Playbarn and watermill. Any child that does not have an adult with them will be returned to the parents or legal guardians immediately.

We reserve the right to ask you to leave, without refund, if you violate these guidelines.

**Thank you and we hope you enjoy your stay**
