

Campers' information 2021

Location, checking in and checking out

Sacrewell is just off the A1/A47 junction – please follow the brown tourist signs rather than SatNav.

Your pitch will be available from 1pm on the day of arrival. Please ensure you are off your pitch by midday on the final day of your stay, to allow our next campers to settle in without delays.

During the visitor centre opening hours, please call in at reception for your welcome pack. After closing time, your welcome pack will be left for you in the container on the campers' noticeboard at the front of the visitor centre.

Admission to the farm and watermill

Your welcome pack includes wristbands if you have pre-ordered them which we ask you to wear throughout your stay.

Please show your wristband to the reception team each time you enter the farm. If you have not added camper's admission to your booking, you will need to purchase entry for each session that you wish to enter the farm, which will be subject to availability and not including camper's exclusive discount.

Lost wristbands will be subject to a replacement charge however should the wristband become damaged please produce this at reception and a replacement will be issued.

Barrier code

The campsite barrier is lowered during the evening and raised early in the morning. The barrier code will be given on arrival please call the office if arriving after 8pm.

Our night warden lives in the caravan by the barrier and will be happy to help if you need any urgent assistance. He is available on 07706 186668.

Setting up Electric hook-up pitches are clearly numbered. Please pitch, as shown, in front of your pitch number post. Motorhomes and caravans are required to reverse into the space to enable them to drive out forwards in the event of an issue on the site.

Visitors without electric hook-up are welcome to choose where on the allocated field area they would like to pitch, allowing a six metre gap between your unit and your neighbour's unit.

Please ask a member of the reception team or our warden if you need any assistance.
